Pre-Mentoring Work: Our God is a God of \_\_\_\_\_.

## Youth Ministry:

1. What is the culture of the church I am in?
2. What is expected of me?
3. What limitations and boundaries do I need to be aware of?
4. What is the leadership structure?
5. Who do I report to and who is keeping me accountable for what's going on in youth ministry?

## Identity:

1. What are my talents and gifts?
2. What am I naturally gifted at?
3. What kind of leader am I?
4. What are my blindspots?
5. What are my own values for ministry?
6. What's important to me as a youth worker?

## Church Ministry:

1. What is the culture of the church I am in?
2. What is expected of me?
3. What limitations and boundaries do I need to be aware of?
4. What is the leadership structure?
5. Who do I report to and who is keeping me accountable for what's going on in youth ministry?

## Potential Follow Up Questions:

## Other suggested topics to seek out mentors:

### Leadership/Administrative:

1. How do I lead volunteers with generational and cultural differences?
2. What kinds of forms and policies need to be in place to keep students safe?
3. What kind of youth ministry schedule works with my church culture and the congregation?

### Pastoral/Counseling:

1. What kind of parenting ministry and outreach can I do?
2. How can I identify good counselors to connect with?
3. How can I deepen relationships with my students?

### Theological/Teaching:

1. What kind of curriculum should I use?
2. How do I plan out a teaching series for the school year?
3. I can't teach everything: what are the non-negotiables of teaching students?
